

Highfield Boats

Backrest Installation Guide

(Sport 520-560)

Installation Guide: Backrest

1. Before installing the backrest, please install the side cushions first.

2. Match the holes between the back and cushion.

Installation Guide: Backrest **HIGH**

3. Install the bolts provided with the backrest from inside of the rearseat with washer and nut. Fasten the bolts with wrench.

Installation Guide: Backrest **HIGH**

Congratulations, you have successfully installed the backrest.
